DHS ANNOUNCES SUMMER 2023 PANDEMIC ELECTRONIC BENEFIT TRANSFER (P-EBT) FOR ELIGIBLE SCHOOL CHILDREN

There is no application process. The Virgin Islands Department of Education and eligible private or parochial schools provided DHS with the names of students during the month of May 2023.

U.S. VIRGIN ISLANDS - The VI Department of Human Services (DHS) today announced that the U.S. Department of Agriculture (USDA) Food and Nutrition Services (FNS) has approved the Virgin Islands 2023 Summer Pandemic Electronic Benefit Transfer (P-EBT) Plan for eligible School Children.

What is SUMMER 2023 P-EBT?

P-EBT was funded by the Family First Coronavirus Response Act (FFCRA as amended by the American Rescue Plan Act (ARPA)). Summer P-EBT benefits will be issued through the U.S. Virgin Islands' Supplemental Nutrition Assistance Program (SNAP) EBT card system to households with eligible children who were enrolled in USVI public and private schools during the last month of the 2023 school year, (May 2023) which participated in the National School Lunch Program. DHS will begin issuing Summer P-EBT benefits to eligible school children on Thursday, August 17, 2023.

Commissioner Causey-Gomez stated, "I am excited for DHS to be able to issue this one-time Summer P-EBT Benefits of \$139 to all eligible children in the U.S. Virgin Islands. Even though we are seeing much lower numbers of COVID positive cases in both districts, we know that families are still experiencing residual financial challenges because of the recent Pandemic. This year's issuance of Summer P-EBT will give some additional help to our families with children to avoid food insecurity. I am thankful for the continued above and beyond services our Division of Family Assistance provides to our Virgin Islanders."
