PRESS RELEASE

DHS Announces Closure of Knud Hansen Complex on St. Thomas

For Immediate Release: September 19, 2025

The Virgin Islands Department of Human Services (VIDHS) is advising the public that the Knud Hansen Complex on St. Thomas will be closed today, Friday, September 19.

The closure comes as a precautionary measure due to the lingering negative effects of Thursday's torrential rain event. This step is being taken to ensure the continued safety of staff, clients, and the general public.

"We remain committed to prioritizing the health and safety of our community and employees," said VIDHS Commissioner Averil George. "We appreciate the public's patience and understanding as we respond to the impacts of this severe weather event."

The Department will continue to monitor conditions closely and provide updates to the community as necessary.

For official updates, please follow the Virgin Islands Department of Human Services on social media and through local media outlets.
