

ATTENTION!

Important Announcement

The federal government's rules on SNAP work requirements have changed. Starting March 1, 2026, under these new federal rules, certain people will have to meet the SNAP work requirements to get or keep their Virgin Islands SNAP benefits.

These rules apply to you if you: _ x

- **Are between the ages of 18 and 64 years old.**
- **Do not have a child under 14 years old in the household.**
- **Are considered physically and mentally able to work at least 20 hours per week.**
